Rev. Dept: On promotion of Sri. Chikkanarayanaswamy as acting Dy. Comm. the following 6 officers who were above him in the Cadre of Senior Asst. Comrs. may be deemed to have been superseded —

(1) Sri. C. Narasimha murthy
(2) Sri. D.K. Srinivasachar
(3) Sri. K. Gopalaraj urs
(4) Sri. F. Thumboo chetty
(5) Sri. B.M. Krishnan.
(6) Sri. L. Kantaraj urs.

It is doubtful however whether to consider this a supersession as Sri. Chikkanarayanaswamy was appointed as acting Dy. Comm. on his request to restore him to his original rank in relation to the Rev. Probationers who were appointed along with him.

Forest Dept

Sri. D. R. Narasimhamurthy Rao, Senior Asst. Conservator of Forest was superseded by Sri. H. S. Rangachar when the latter was appointed as Conservator of Forests.

I decided that the Chief Secretary to Government and Shri K C Channaraj Hon'ble Minister for Revenue not the regarding the subsessions of the legitimate claims of them and circumstances for their promotions facts relating decision to from such the number of subsession in the Gazetted ranks will remain at the Forest, Judicial and Medical Departments noted in the draft reply and the

13 bi-passed by reasons that promotion of Sri. Chick. Varadaraja Iyengar as Dy. Comr. are explained the Sub's note dated 20-9-48

Then appear to show that appointment to
DF. comm is one of superseding
the claims of others for promotion

29. According to the civil list corrected
upto 1st January 1949, the rank of Sri
B.C. Chamaraj Urs in the cadre of Asstt. S.P.'s
is 79th. When certain officers were
selected and posted to a few
charges in the Civil Station at the
time of recession Sri B.C. Chamaraj
Urs was one who was promoted to act
as Asst Comr and posted as House Rent
Controller in the Civil Station. This promotion
was perhaps to be considered as a
Selection appointment and it does not
perhaps amount to a supersession
since the seniority rule is accepted
the number of ~~post~~ selections in
the Gazetted ranks will
remain at three in the Dt Court.

Sir,

Subject:- Mysore Representative Assembly
Budget Session 1949 - Question No. 88 --
Sri S. Ramappa (Srinivasapur-Rural) -

With reference to your letter No. 9233-9314/C.B. dated 13th May 1949 asking for information regarding the supersessions, if any, in the Gazetted Ranks of Public Service, I have the honour to state that there are two cases in the Revenue Department - which may in a sense be - - considered technically as supersession.

Sri Chickkanarayanaswamy who was six - - places below Sri K. Seshagiri Rao in the cadre of Senior Assistant Commissioners was appointed as Deputy Commissioner placing him above 6 Officers who were above him at that time. This however was as a result of the Government reconsidering his request for the restoration of his original rank in relation to the Revenue Probationers who were appointed along with him.

Sri B.C. Channaraj Urs whose rank is 79 among sub-pro-tem and acting Amildars, was - - appointed as Assistant Commissioner thus overlooking the claims of 14 permanent Amildars and 79 sub-pro-tem and acting Amildars. If this

P.T.O.

this promotion is considered however as a - selection appointment to the cadre of Probationary Assistant Commissioners it does not perhaps amount to a supersession.

Yours faithfully,

W. Graham

Question No.88 - M.R.A. Budget Session.

In continuation of my letter No.C.B.202/48-49 dated the 17th instant on the above subject, I write to state that it is represented by Sri.N.V.Babu Reddy, Deputy Inspector-General of Police, Bangalore, that, when he was taken as a Police Probationer on 1-5-1933, he was shown above Sri.B.Thimmaraj Urs; but later, on the recommendation of Mr.F.A.Hamilton, the then Inspector-General of Police, Government ordered in their No.P.2099/Pol.51-36-2 dated 24/25-9-1936 that the name of Sri.Babu Reddy should be shown below Sri.Thimmaraj Urs at the time of their confirmation as Assistant Superintendents of Police. Since Government have ordered the confirmation of Sri.N.V.Babu Reddy as Senior Superintendent of Police (vide G.O.No.49/C.B.322-46-2 dated 3-7-1947) earlier than Sri.Thimmaraj Urs, it has to be construed that Sri.Babu Reddy was restored to his old rank, though I am not aware of the circumstances under which Sri.Thimmaraj Urs was placed below Sri.Babu Reddy.

CHIEF ENGINEER FOR IRRIGATION.

GCS.

Proceedings of the Government of His Highness the Maharaja of Mysore.

P.W.D.

Read:-

Government Order No.P.W.5695-5716 dated 25th February 1944 laying down rules governing the Mysore Public Works Service.

2. Government Order No.P.W.4150-56/Est. 87-45-1 dated 8th December 1945 appointing Probationers to be absorbed in permanent vacancies existing and occuring in the Assistant Engineers' cadre in the P.W.D.

3. Government Order No.P.W.2884-86/Est. 87-45-38 dated 6th November 1946 directing that in confirming Officers in the cadre of Assistant Engineers in vacancies, existing and occuring in future, the communal proportion (50:50) should be strictly observed as each case of confirmation comes up irrespective of the length of service of the Officers concerned and of their relative ranking according to the existing gradation list and that the Probationers appointed in the Government Order of 8th December 1945 be placed below the last Offg.Assistant Engineer.

4. Letter No.P.C.190 dated 17th January 1947 from the Chief Engineer for Irrigation, stating that according to the order of 6th November 1946, the Senior Assistant Engineers, some of whom have taken the B.E. Degree with distinction would suffer supercession, thereby causing discontentment among them and impairing efficiency and requesting reconsideration of the order of 6th November 1946.

5. Letter No.152 dated 18th July 1947 from the Chief Engineer for Irrigation, submitting proposals for the confirmation of Assistant Engineers in the existing vacancies.

Order thereon No.P.W.5030-4/Est. 22-47-4 dated Bangalore, 4-11-1947.

The Chief Engineer for Irrigation and the Chief Engineer for Roads and Buildings, have submitted a representation that according to the modified order of 6th November 1946 read above, the senior Assistant Engineers, some of whom have taken the B.E.Degree withdistinction would suffer supercession and that there would be discontentment among them thereby impairing efficiency. Besides most of the graduates belonging to backward communities are reported to have been shown preference at one or more stages while they were first recruited or promoted to Overseers' and SubEngineers cadres.

2. After detailed examination of the several aspects,Government feel that the orders of 6th November 1946 requires modification and that the case of Messrs.T.Hutchaveeraiya, K.V.Siddabasavaiya, V.Balakrishna Naidu, H.Puttaswamy and A.Sambamurthy, who have had no preference shown to them and whose case was not taken into consideration when brought to the notice of the Chief Engineer deserves consideration. Government therefore direct that the relative rank of the Five Assistant Engineers mentioned above be fixed as follows:-

Messrs:

1. M.Vedavyasachar
2. T.Hutchaveeraiya
3. M.N.Ramakrishna
   K.V.Siddabasavaiya
   K.Seshadri Iyengar
   V.Balakrishna Naidu
   G.Subramanyam
   H.Puttaswamy
   K.N.Suryanarayana Sastry
   A.Samba Murthy.

and that except with the change indicated above the present rank of Assistant Engineers need not be disturbed, the rank of Government Order of 6th November 1946 being modified accordingly.

Sd.H.Puttaswamy,
For Secretary to Government, P.W.D.

Government Order No. P. W. 5695-5716, dated 25th February 1944, laying down rules governing the Mysore Public Works Service.

Government Notification No. P. W. 6405-12, dated 21st May 1945, ordering the promotion of 27 Senior Surveyors as Officiating Assistant Engineers.

3. O. No. P. W. 4150-56—Est. 87-45-1, dated 8th December 1945, appointing Probationers to be absorbed in permanent vacancies existing and occurring in the Assistant Engineers' cadre in the Public Works Department.

4. D. O. Letter No. C. 123, dated 21st December 1945, from the Chief Engineer for Irrigation, requesting orders in the matter of placing the Probationary Assistant Engineers below the last Officiating Assistant Engineer on the date of order.

ORDER THEREON NO. P. W. 2884-86—EST. 87-45-38, DATED BANGALORE, THE 6TH NOVEMBER 1946.

On receipt of proposals from the Chief Engineer for filling up the vacancies in the Assistant Engineers' cadre, a Committee of Officers was constituted in September 1944 to advertise and submit recommendation for appointment of Probationers as contemplated in the Government Order of 25th February 1944 read above, and their report was received in April 1945. In May 1945, however, 27 Surveyors were, on the recommendation of the Chief Engineer, promoted as Officiating Assistant Engineers so that works might not suffer pending the appointment of Probationers. After due consideration of the proposals submitted by the Committee, Government appointed twenty candidates as Probationary Assistant Engineers to be absorbed in permanent vacancies, existing and occurring in the years 1946 and 1947.

2. The Chief Engineer has, thereupon, submitted a representation that the reservation of existing and occurring permanent vacancies for Probationers and their confirmation in due course would affect a number of temporary and officiating Assistant Engineers and that the candidates for Probationers were selected by the Committee in the view that Probationers when appointed would take rank below the last officiating Assistant Engineer on the date of selection and he has therefore proposed a revision of the order in regard to the relative rank of Probationers.

3. The proposal of the Chief Engineer that the Probationers should be placed below the temporary and officiating Assistant Engineers is not in accordance with the standing orders and entails a departure from the prevailing practice in other departments, acting in a manner prejudicial to the interests of candidates belonging to backward communities, whose representation in the gazetted ranks of the Public Works Department is very meagre. It is with a view to secure proper communal representation in those ranks that Government, while filling up vacancies in the cadre of Sub-Engineers in 1930, laid down that 50 per cent of the vacancies should be filled up from among the senior backward community Overseers. For no ostensible reason this principle had been overlooked subsequently while filling up places in the cadre of Sub-Engineers with the result that the communal composition in the higher services of the Public Works Department has become unbalanced.

The percentage of representation of backward communities would have been much higher if the principle laid down in 1930 had been consistently followed since then. Government therefore issued orders on 25th February 1944 revising this principle with a view to directly recruit Probationary Assistant Engineers so as to increase the representation of backward communities in the higher ranks of the Public Works Department. But the Committee set up for recommending names for appointment of Probationers seem to have proceeded on the assumption that the Probationers would be ranked below the last officiating Assistant Engineer and did not consider the claims of some other applicants on the ground that they had already been recommended for promotion as officiating Assistant Engineers. This action of the Committee having caused an embarrassing position, it has become necessary to consider the recommendation of the Chief Engineer in regard to the relative rank of the Probationary Assistant Engineers and in so doing to rectify the injustice caused to the candidates of the backward communities in not having given effect to the principles laid down in 1930. This will, in a way, satisfy the backward communities whose interests suffer by placing the Probationers below the last officiating Assistant Engineer.

4. After careful consideration of all aspects as to how best this inequality could be set right at this late stage with the minimum amount of dislocation, Government feel that the re-arranging of relative seniority of the officers concerned in the existing gradation list with reference to the principles of 1930 is undesirable. But Government direct that in confirming officers in the cadre of Assistant Engineers in vacancies, existing and occurring in future, the communal proportion (50 : 50) should be strictly observed as each case of confirmation comes up irrespective of the length of service of the officers concerned and of their relative ranking according to the existing gradation list.

5. The Probationers appointed in the Government Order of 8th December 1945, read above, will be placed below the last officiating Assistant Engineer.

6. The Chief Engineer is requested to submit, very early, proposals for confirmation of Assistant Engineers in the existing vacancies in accordance with the principle enunciated in para 4 *supra*.

2 Letter No. P. W. 8416, dated 24th April 1942, from the Secretary to Government, Public Works Department, to the Chief Engineer, directing that the practice obtaining in the Public Works Department in regard to the filling up of vacancies in the Overseers' cadre be followed and that the principle of reserving 50 per cent of the vacancies in the Sub-Engineers' cadre for promoting Non-Brahmin and merit graduate Overseers be revived.

5 Letter No. 25030, dated 23rd June 1942, from the Chief Engineer of Mysore, forwarding a note regarding the promotions in the Upper Subordinate ranks of the Public Works Department.

ORDER THEREON No. P. W. 5695-5716, DATED BANGALORE, THE 25TH FEBRUARY 1944.

The executive establishment of the Public Works Department consists of Sub-Overseers, Overseers and Sub-Engineers in the non-gazetted cadre and officers of and above the rank of Assistant Engineers in the gazetted cadre

2. Prior to 1927, passed students of the School of Engineering were employed as Sub-Overseers, while engineering graduates recruited to the subordinate establishment of the engineering service were started as Overseers or Sub-Engineers. In 1927, however, when the Irwin Canal and other works of magnitude were taken up for execution, there was a paucity of qualified men from the School of Engineering and consequently, engineering graduates from the local College were entertained as Surveyors against vacancies in the Sub-Overseers' cadre. The graduates thus employed and the school students in service were counted against one and the same cadre of Sub-Overseers. It was found necessary to adopt some conventions for regulating promotion to Overseers' and Sub-Engineers' grades to which both these classes of subordinates were eligible.

3. In practice, considerable difficulties have arisen in regulating promotions to the grades of Overseers and Sub-Engineers and the question of reconciling the claims for promotion of the two classes of subordinates and, at the same time, of maintaining a fair standard of communal representation has become one of complexity.

4 Government have reviewed the situation in all its aspects and decided that the following principles be adopted in future for regulating recruitment to, and promotions in, the Public Works Department:

There will be two distinct cadres in the subordinate establishment of the Public Works Department, *viz.*,-

(i) Sub-Overseers and Overseers (Non-Gazetted) and Honorary Assistant Engineers (Gazetted).

(ii) Surveyors (Non-Gazetted) and Assistant Engineers (Gazetted,

A. SUB-OVERSEERS.

(1) Sub-Overseers will be recruited from the Diploma Holders of the School of Engineering according to the general rules of recruitment.

(2) Vacancies in the grade of Overseers will be filled up only by the promotion of Sub-Overseers according to seniority and merit.

(3) The sanctioned strength of Overseers will be about 12½ per cent of the total strength of Sub-Overseers (both permanent and temporary).

(4) Senior Overseers of outstanding merit will be promoted as Honorary Assistant Engineers as vacancies become available.

(5) The existing scales of pay of Sub-Overseers, Overseers and Honorary Assistant Engineers will continue.

B. SURVEYORS.

Surveyors will be recruited from the graduates of the College of Engineering according to general rules of recruitment and their grade pay is revised to Rs. 60—5—125—10—175.

C. ASSISTANT ENGINEERS.

(1) Not less than 50 per cent of vacancies in the cadre of Assistant Engineers shall be filled up by direct recruitment, the remaining vacancies being filled up by promotion from among the Surveyors according to seniority and merit.

(2) Ordinarily, four-fifths of the direct recruitment vacancies so arising in the cadre of Assistant Engineers shall be filled up by candidates belonging to backward class communities and the remaining vacancies will be open to all classes. Those in service, if otherwise eligible, may apply for direct recruitment vacancies.

(3) Candidates directly recruited to the Assistant Engineers' cadre shall be on probation for a period of two years.

5. These decisions are embodied in the detailed rules governing the Public Works Service appended to this Order.

Sir,

With reference to your Circular letter No.9233-9314/ C.B. dated 13-5-1949 asking me to furnish information, in respect of this department, necessary to answer the question tabled for the ensuing R.A. Session by Sri. S.Ramappa (Srinivasapur Taluk). I have the honour to state that in this department, there have been no supersessions in so far as promotions from one grade of the Gazetted service to the next higher one is concerned.

2. However, as regards promotion to the last grade of the Gazetted Service in this Department, viz., Assistant Comptrollers, 35 Superintendents were superseded by their non-inclusion in the Eligibility List assigned by Government in October 1947 for promotion to the Cadre of Asst.Comptrollers; representations of some of the superseded Superintendents were sent up to Government in the Finance Department in November 1947 and no orders have yet been received in respect of the same.

3. In a recent assignment of the Superintendents of the Railway Audit Office made by Government during this month for promotion as Assistant Auditors, 10 Superintendents of that

office have been superseded.
